

Westwind

WESTWIND FOREST STEWARDSHIP INC.

July 2019

Westwind Forest Stewardship Inc is a not-for-profit corporation that manages crown wood in the French-Severn Forest. Westwind was the first large public forest in Canada to attain FSC certification to manage the forest in a sustainable manner.

Westwind is seeking an independent community member to join its Board of Directors. Candidates should have a strong business background, with financial expertise, strong communication skills and strong connections within their local community. Experience in human resource management and marketing, and knowledge of board governance practices

Directors receive a per-diem and travel expenses and are required to attend a minimum of quarterly meetings and participate in some Committee work.

Please direct your expressions of interest and resume to Chair, Westwind Forest Stewardship Inc. 72 Church St. Parry Sound ON P2A 1Y9 or by e-mail to [info@westwindforest.ca](mailto:info@westwindforest.ca) by July 26 2019
